## Beach Blanket & Towel

Sample Selection

### Microfiber Towel

65" x 30"

Microfiber towels stand out for their high absorption capacity and quick drying, making them lighter and more compact, ideal for travel. Additionally, they are soft to the touch and comfortable.

### Beach Blanket

80"x 80"

Woven in Mexico using recycled cotton and polyester fibers (making it lightweight and quick-drying), inspired by traditional Mexican fabrics. This fabric is designed for enjoying the beach but is also perfect for picnics, decoration, and much more!

### Recycled Cotton Towel

67"x 36.5"

Perfect for use as a towel, sarong, blanket, or eco-friendly poncho. Each piece is artisanal, with hand-knotted edges. Produced without industrial dyeing. Made from 69% recycled cotton.

Note: This experience requires a 50 person minimum. Groups fewer than 100 people add a one-time setup fee. Sample items shown; styles, colors and some other details may vary.
